Violet(Zimeng) Ye

violet.zimengye@berkeley.edu | (510) 612-9623

EDUCATION

University of California, Berkeley | California, USA Aug 2025 - May 2028

- Major: Data Science & Environmental Economics and Policy; GPA: 3.844
- Relevant Coursework: CS 61A (Structure and Interpretation of Computer Programs), CS 61B (Data Structures), STAT 20 (Introduction to Probability and Statistics), MATH 53 (Multivariable Calculus), ECON 101A (Microeconomics - Quantitative), CS 198 (Introduction to Full-stack Web Development)

PROFESSIONAL EXPERIENCE

Student Business Pioneer | HSBC building, Shanghai International Finance Center Apr 2023 - Sept 2023

- Analyzed Harvard Business School case studies, focused on ESG topic.
- Collected data, built an AI inventory forecasting model for Haidilao, and authored a research paper.
- Awarded Outstanding Participant Honor.

Data Analyst Intern | China-U.S. Green Fund Management Company Jul 2024 - Aug 2024

- Researched on green energy, with a focus on commercial solar energy and analyzed investment data.
- Analyzed investment and performance data of green energy projects, synthesizing findings into ESG industry reports, forecasting trends and presenting insights.

RESEARCH EXPERIENCE

Research on Commercial Bank Green Finance | Shanghai Jiao Tong University Mar 2023 - Aug 2023

- Constructed a green finance evaluation index using large-scale text analysis and data analysis techniques.
- Built a green finance dictionary through comparison of Chinese green finance policies. Performed keyword frequency analysis to quantify banks' emphasis on sustainability and green finance initiatives.

Research on Math Modelling | Shanghai Jiao Tong University Dec 2023 - Dec 2024

- Researched the environmental and financial impacts of transitioning to electric bus fleets using mathematical models; developed a 10-year blueprint to support sustainable decision-making.
- Conducted case simulations to evaluate emission reductions, air quality improvement, and cost-efficient transition strategies under varying policy and operational constraints.
- Published as first contributor in SCI journal *Smart Construction and Sustainable Cities*.

PROJECTS & LEADERSHIP

Founder of School Bulletin Board Platform | Shanghai Starriver Bilingual School Oct 2022 - Jul 2024

- Designed and launched a student-facing information platform for course selection, academic support, and creative activities, considered privacy protection and content filtering mechanisms.
- Implemented an audit and review workflow to monitor user-generated content.

Research Lead of GreenGrid Public Welfare Program | Bolong Base, Tengger Desert Jul 2023 - Aug 2023

- Planted and cultivated seedlings to combat desertification; led team interviews with local residents and base managers, collected data on ecological challenges and sustainable revenue strategies.
- Organized an atrium exhibition to translate environmental research into accessible educational content.

Producer of T.I.n.Y Chinese Theater Club | University of California, Berkeley Sep 2025 - Present

- Coordinated production schedules, logistics, and cross-team communication.
- Managed behind-the-scenes production workflows to ensure timely execution of creative deliverables.

President of Energy Club | Shanghai Starriver Bilingual School Sept 2022 - Jun 2025

- Led schoolwide volunteer teams supporting festivals, shows, and major campus events.

AWARDS

- American Invitational Mathematics Examination: 11 points, Qualified for USAMO
- High School Mathematical Contest in Modeling: Finalist Award (top 6%)
- National Economics Challenge: Team won the 1st Place in China, National Overall Gold Award

TECHNICAL SKILLS

- Programming: Python, C++, JavaScript, R, SQL
- Research Tools: Matlab, SPSS, OriginLab, Excel
- Language: English, Mandarin, Japanese(Basic)
